

ZEBULON INNOVATIONS APPOINTS NEW CNG & LPG INSTALLER AND DEALER IN NORCROSS, GA

- Mobile Installation Business Model, a Fresh Approach to Help America Accelerate Its Conversion to Domestic Fuels -

DES MOINES, IA — October 23, 2014 — Zebulon Innovations, the Exclusive North American Distributor of Zavoli compressed natural gas (CNG) and liquid propane gas (LPG) conversion systems today announced the appointment of Norcross-based Force 911 as an authorized dealer/installer of Zavoli's bi-fuel CNG and LPG conversion systems.

Zebulon Innovations also said that Force 911 is a leader with a truly innovative business model for the CNG and LNG conversion industry. Force 911 will convert any vehicle to CNG, anywhere, with a highly trained technical mobile team that brings their expertise to the customer.

"The addition of Force 911 provides Zebulon a high quality, aggressive installer that has an outstanding reputation – their key point of differentiation is Force 911 has a mobile technical and conversion team that will travel to the customer's location. No job is too big or too small for Force 911. We applaud their innovative approach and mobile business model which allows Zebulon to claim a national installer network and allows customers in the most remote areas of North America to enjoy the benefits of a CNG/LPG vehicle conversion" said Lee Nelson, Chief Technology Officer of Zebulon Innovations.

Zebulon Innovations is accelerating its conversion dealer/installer network throughout the United States and Canada since receiving numerous EPA approvals for Zavoli's conversion kit technology for the widely operated line of vehicle types. The company expects to continue obtaining new EPA approvals for additional engine groups to address the anticipated increasing demand from fleets that desire to operate on either CNG or LPG.

About Force 911

In 2012, Force 911 implemented a remote installation team that travels the U.S. to convert gasoline powered fleet vehicles to clean, affordable propane autogas. This convenience allows its customers to keep their fleet vehicles on the road with minimal downtime for conversion. Force 911's main office is located north of Metro Atlanta in Norcross, Georgia, with three additional offices in Jefferson, Georgia, Cordele, Georgia and a conversion center in Ocean Springs, Mississippi.
